

DG Inspection/Authorisations Division/Drug precursors Unit

New nomenclature code for APAAN (alpha-phenylacetoacetonitrile)

Dear Madam, Dear Sir,

We hereby inform you that the NC code for APAAN (CAS N° 4468-48-8) has changed. The new CN code is **2926 40 00** instead of 2926 90 95.

This new CN code **2926 40 00** has been updated in the Common Customs Tariff. Please use it now for your APAAN transactions.

If you have any questions about this matter, you can contact us:

- drugprecursor@afmps.be
- 32 2 528 42 42 42 (FR) or + 32 2 528 43 12 (NL)

Yours sincerely,

Drug Precursors Unit
